

The Engineer Editorial Calendar 2010

Date	Design Feature	Production Feature	Themed Issue	Show Previews
Jan-11	Software CAD / CAM Linear Motion			TE Events Guide - 2010
Jan-25		Measurement & Inspection Automation		
Feb-08	Rapid Prototyping / Modelling Drives / Motors / Gears			
Feb-22		Condition Monitoring - Maintenance Data Acquisition		Maintec 2010 - 2nd-4th March
Mar-08	Fastening & Adhesives Software CAD / CAM		Energy	All Energy 2010 - 19th-20th May
Mar-22		Process Control: Food, Drink & Pharma Automation		Sustainability Live (ET2010, IWEX, etc..) 19th-21st May
Apr-05	Drives / Motors / Gears Medical Devices			Medtec 2010 - 27th-28th April
Apr-19		Machine Tools Machine Vision		Advanced Man (Automation, Vision, etc..) 27th-28th April
May-03	Rapid Prototyping / Modelling Fluid Power / Hydraulics			PDM 2010 - 18th-20th May
May-17	Drives / Motors / Gears Linear Motion			Drives & Controls - 8th-10th June Subcon - 8th-10th June
May-31		Machine Tools / Metal working CNC Machining	Advanced Manufacturing	Mach 2010 Show Preview / Supplement 7th-11th June
Jun-14	Software CAD / CAM Pumps & Valves			
Jun-28		Control & Instrumentation Process Control: Food, Drink & Pharma		
Jul-12	Fasteners & Adhesives Power Transmission - Bearings		Aerospace	Farnborough 2010 - 19th-25th July
Jul-26		Test & Measurement Machine Vision		
Aug-16	Prototyping / Modelling	Data Acquisition Sensors		
Sep-06	Drives / Motors / Gears Software CAD / CAM Electrical Components - Semi Conductors			
Sep-20		SCADA - HMI Interfaces CNC Machining Measurement & Inspection	Olympics 2012	
Oct-04	Rapid Prototyping / Modelling Medical Devices			TCT 2010 - October
Oct-18		Process Control: Chemicals Automation		
Nov-01	Drives / Motors / Gears Pneumatics & Hydraulics		Automotive	
Nov-15		Metal Working / Tooling Condition Monitoring - Maintenance		
Nov-29	Software CAD / CAM Automotive Design Feature			
Dec-13	Fasteners & Adhesives	Control & Instrumentation
